May this report find you all doing well in our Lord's work.

I just returned to Mexico June 28th after spending a month in the U.S.A. visiting some of my supporting churches as well as some new churches. I had a real busy month traveling a lot. It was a blessing to be with you all.

I had some problems with my motor home on my way to Florida. God blessed me with a mechanic that helped me fix it, cost around \$2,800 dills. I have received some offering, still ask you to pray God will supply the rest, which is about \$2,500 dills.

The Ministry here in Mexico is going well with souls saved and new people coming to the churches.

We will be in V.B.S. for the next month or so in different churches.

A note to those that help with the Christmas Shoe Box gifts, I will be back in the U.S.A. the last of October and first of November to pick them up. Please let me know if you will be helping with this project as soon as you can so I can plan my trip to pick them up.

We are still working on the church building in Gral. Teran, we need to finish the baptistry area and wall around the property to help keep out the thieves, pray for funds for this work.

Please pray for this year's Pastors Conference (Camp Meeting) which will be October 14-17/2024. You are all welcome preachers to come be with us.

I want to thank you for praying and supporting my Ministry these 49 and a half years

May God bless you all is my prayer.

In His Service,
Bro. Thomas Beard
