

THE NELSON FAMILY

"Missionary Church Planters to the Navajo Nation"

Dear Pastor, Church and Friends:

JANUARY AND FEBRUARY 2024

WE GIVE ALL THE GLORY AND PRAISE TO OUR LORD, JESUS CHRIST!

Psalm 98:1 O sing unto the Lord a new song; for he hath done marvellous things: his right hand, and his holy arm, hath gotten him the victory. I have a new song because Jesus Christ has come, and seen and conquered. Jesus, our King, has lived a marvellous life, died a marvellous death, risen by a marvellous resurrection, and ascended marvelously into heaven. By his divine power he has sent forth the Holy Spirit doing marvels, and by that sacred energy His Word have also wrought marvellous things and astonished all the earth.

WE THANK THE LORD FOR YOUR FAITHFULNESS!

Greetings, in the name of our Lord, Jesus Christ, in the year 2024. Truly, the year 2023 was wonderful! God revealed Himself to our family in many ways; and it has been a remarkable year in our ministry. We are very thankful for what God has done; and with great hope, we look forward for what God has in store for us, for the year 2024. We are profoundly grateful to the Lord for your continued support, faithfulness, and intercessions for the ministry in the Eastern Navajo Indian Reservation. A myriad thanks to all of you.

PRAYING FRIENDS & FAITHFUL SUPPORTERS!

The lyrics of this song have been in my heart for these past two weeks, "Great is thy faithfulness, Lord, unto me." I know He walks with me and my family through this ordeal of sickness, pain, weakness, and other physical trials. Amidst these tests, the Lord has given us patience and have put our complete trust in our Sovereign God. We all caught RSV and Covid on February 1 and have experienced every symptom known to the virus for the whole month. Please pray for healing and full recovery for the entire family. We are indeed very thankful for God's faithfulness even in the midst of this medical crisis.

SENDING THE LIGHT FROM THE NAVAJOLAND!

In January, we had the privilege of joining the Haynes and Nez families for a mission trip in the village of Unalakleet, Alaska. We extended our help for the Forss family as they led and hosted a winter revival. The Lord allowed us to attend the services for three nights and witnessed the salvation of three souls. Indeed, God worked in many mysterious ways and allowed us all to experience a Biblical Revival.

After the Mission Trip, we had the chance to attend the Biblical Counseling Seminar hosted by Ganado Baptist Bible College. Pastor Rick Carter, Jr. was the special speaker from whom we learned so much about Biblical Counseling in the little time we had together with him. We took ten of our converts from Crownpoint Baptist Church with us; and it was a tremendous blessing and help in our ministry as we counsel our congregants.

TRUSTING IN THE LORD!

We had a ministry outreach in the month of February where we encouraged our people in church to invite friends and families to our special service, called, "I Love my church Sunday." We had four visitors and two families returned to church.

We also had a missionary family who presented their ministry in the month of February. The Hale family, missionaries to the Napakiak Alaska villages were a blessing to our church family. They presented their mission field, ministered to us, answered our questions, and fellowshiped with us as well.

FAMILY

We ask for your prayers for our health and speedy recovery for the entire family. Yes, we missed one week of church because of our medical condition; but the ministry will continue to move on. The house renovation has been put on hold for the month of February, but the blessing is that it's 75% complete.

May the Lord bless each of you!

Your Brother and Friend in Jesus Christ;

Aaron Nelson *Aaron Nelson*
